

- 1) Go to the website app.testcenter.kz/ and select the interface language;
- 2) Register in the application system by e-mail (in the letter received from the National Testing Center, be sure to confirm the email address);
- 3) Log in using the received username and password in the application system (you cannot delete an email containing the username and password);
- 4) Enter the LINK and click on the search button (the full name is displayed automatically), specify the contact phone number;
- 5) Go to the "Apply" tab and select "Postgraduate Education (Master's-doctoral degree)";
- 6) Select "entrance exam for doctoral studies";
- 7) Fill in the registration data;
- 8) Confirm that you are familiar with the rules of the entrance exam to the doctoral program;
- 9) Select the payment method and make a payment for testing.

After successfully completing all the stages, a message will be displayed: "The application has been successfully submitted!".

The applicant independently chooses the city of passing the exam.

If the applicant needs to make changes to the submitted application (the city of passing the exam, the group of educational programs, the language of passing the test), he is given the opportunity to edit until the application acceptance database is closed (until August 3).

To do this, you need to:

- 1) Go to the "My history" tab.;
- 2) Open the application and click the "Change application" button.;
- 3) Make changes;
- 4) After editing, click on the "Save" button.
